

## RUSHFORTH PARK TOWNS CLUBS POLICIES

### FIELD SET UP:

The first HOME team (listed first on the draw) is responsible for setting up nets and corner posts. Nets can be found in bags on the shelves in the Gear Shed. Please make sure you take the correct bag. Bags are numbered to correspond with Field numbers.

### FIELD PACK UP:

Nets & corner posts need to be returned to the Gear Shed after the last game on each field. Nets and pegs need to be put back in correct bags and placed back on shelves in the Gear Shed. Please ensure that ALL pegs are collected.

Please Note: Fields 1, 2 & 3 nets and corner posts are stored in Wheelie Bins behind the Canteen.

Clubs/Teams are responsible for looking at the Draw and checking whether they are responsible for set up or pack up. There are some weeks where teams will be responsible for both, so please check the Draw.

Please be aware sometimes there are forfeits or field changes so even though the Draw might have a game on a field before you, your team might end up needing to set up.

Clubs will be given a \$10 fine if they do not correctly pack up the fields.

### CANTEEN:

The Canteen will be on a six week roster again this year:

Round 1st 6 week block

Round 2nd 6 week block

Round 3rd 6 week block

## GROUND CONTROLLER:

Friday Nights: The home team is responsible for providing the Ground Controller.

The home team needs a team parent to keep an eye on the Canteen in the event assistance is needed.

Saturday Morning: The club on Canteen duty is responsible for providing 2 Ground Controllers.

Seniors - Saturday Afternoon: Each RPTC team playing needs to provide a Ground Controller.

## TRAINING:

A reminder there is NO Training on Field 1.

Please ask coaches to train on the fields they usually play on ie U10 training on Field 4 or 5 etc.

## FIELD BOOKINGS:

Clubs/Teams to advise Secretary to book fields/transfer games to ensure there are no clashes.

## WET WEATHER POLICY:

When Clarence Valley Council closes Rushforth Park the grounds are closed for all games and training until Council opens the grounds. If there is any inclement weather during or after Friday evening the grounds will be inspected by the Wet Weather Inspector prior to 7am on a Saturday morning. Upon declaring the fields either open or closed a phone call will be made to the Secretary who will notify the clubs and North Coast Football. Clubs are responsible for notifying their players and visiting teams. Unless otherwise requested Clubs will be notified by email to their club address. The Referees (or team official in a non-

competitive fixture) will make necessary decisions with regards to safety and fitness of the grounds on a match by match basis.

#### WET WEATHER PROCEDURE:

Grounds to be inspected by 7am on a Saturday morning . Upon declaring the fields either open or closed a phone call will made to Tabatha Ellem who will notify the clubs and NCF. Clubs are responsible for notifying their players and visiting teams. Unless otherwise requested Clubs will be notified by text to their Wet Weather Co-ordinator
